

Ed Sheeran – The A team

[Verse 1]

G 4

White lips, pale face

Em 1

Breathing in snowflakes

C 1 G 1 C 1

Burnt lungs, sour taste

G 4

Light's gone, day's end

Em 1

Struggling to pay rent

C 1 G 2

Long nights, strange men

[Pre-Chorus]

Am 2

And they say

C 2

She's in the Class A Team

G 2

Stuck in her daydream

D 2

Been this way since 18

Am 2

But lately her face seems

C 2

Slowly sinking, wasting

G 2

Crumbling like pastries

And they scream

D 2

The worst things in life come free to us
